Dear Janethy,

This is to confirm that your **Persatuan Perubatan Integratif Malaysia** (Association of Integrative Medicine Malaysia) is the only Association/Society promoting integrative medicine which has been admitted into membership of the Federation of Complementary and Natural Medical Associations Malaysia. It is the policy of this Federation to place any second and subsequent registered society(ies) with similar purposes/objectives under your Persatuan, which was the first association/society to secure membership with us for integrative medicine.

Should you require further clarification, please write to our Federation's Hon. Secretary, YM Tunku Badli bin Tunku Ibrahim at the above-mentioned address.

Yours faithfully,

Dato' Steve Yap
President
